April 8, 2020

Good evening Parents/Guardians,

Our school calendar this year has our Easter/Spring Break beginning tomorrow, April 9 through Tuesday, April 14. We will observe this time as scheduled and hope you get a much-needed break from the remote learning activities. While we continue to deal with these circumstances as well as we can, we appreciate all the patience and perseverance everyone has displayed thus far. I cannot thank each and every one of you enough for your patience, understanding, and cooperation in making the best of these circumstances that continue to change daily.

All packets have been reviewed by the teachers and we will be able to distribute report cards for grades pre-K through 3 in the packet folders and the grades 4 through 8 will be available online via Genesis beginning April 17. The new work that will take us through May 1 will be available beginning Friday, April 17, and also be distributed on Monday, April 20 and Tuesday, April 21. We will allow all grade level pick-up and drop off on these dates from 8:30am to 11:30am.

Please continue to work with your child(ren) as this work is vital to their continued success. In addition, it important to reach out to teachers via email, remind or DoJo if you have any questions. I also encourage you to check our website and your emails not only for updates, but for specially designated days of activities, and links for additional information for instructional assistance and precautions with regard to COVID 19.

Another reminder is no meals will be provided during the Easter/Spring Break, but we have provided meals today to cover the days we are closed which are Thursday, April 9, Friday, April 10, Monday, April 13, and Tuesday, April 14. Meals will be available again on April 15.

At the present time, we will remain closed until further notice. We have been able to get to this point and I have no doubt we can weather this storm as long as we remain supportive of each other. “If you want to see the sunshine, you have to weather the storm.” -Frank Lane. Again, I thank everyone for your support and continue to stress that we follow the CDC and Health Department recommendations to remain safe.

With this Easter season upon us, a sense of hope remains abound. It is the hope we have that we can overcome this situation and I wish everyone a Happy Easter and hope to see everyone soon.

Thank you,

Peter L. Koza, Ed.D.
Dr. Peter L. Koza, Superintendent
