

Dear Parents:

We are posting the assessment schedule for the 2016-17 school year. These include the benchmark assessments given to grades two through eight which is the MAP (Measures of Academic Progress), NJ ASK (New Jersey Assessment of Skills and Knowledge), given to students in grades four and eight to assess Science skills, and the PARCC (Partnership for Assessment of Readiness for College and Careers), ELL (English Language Learners for Bilingual students only identified to take this exam), and DLM (Dynamic Learning Maps – identified student only).

The PARCC and NJ ASK have practice links. For the PARCC, you may access these links for Math and English:

With the exception of the MAP Testing, all other tests are statewide assessments. The MAP Testing serves as a benchmark assessment to provide data for our teachers on their instructional practice for the purpose of student growth and is for our district.

If you have any questions regarding the assessments, please contact me at (856) 455-2267 ext. 3201.

Thank you for your support,

Dr. Peter L. Koza, Superintendent
