April 3, 2020

Good evening,

Hope everyone is doing as well as they can with the uncertainty abound. I want to thank each and every one of you for your patience, understanding, and cooperation in navigating this course that keeps changing by the hour. Thank you also for dropping off the completed work and picking up the new work. More information on the return and pick up of new work and report cards will be provided in another update. Please check our website and your emails not only for updates, but for specially designated days of activities, and links for additional information for instructional assistance and precautions with regard to COVID 19.

As you know, next week is our Easter/Spring Break and we will stay with that to give everyone a break. Students and parents have been working very hard and a little break is well deserved. No meals will be provided during the Easter/Spring Break, but we will provide enough meals on Wednesday, April 8 to cover the days we are closed which are Thursday, April 9, Friday, April 10, Monday, April 13, and Tuesday, April 14. Meals will be available again on April 15.

At the present time, we will remain closed until further notice. Our governor is revisiting this on April 17, and our President stated everything is closed until at least April 30. Given those two statements, there is no definitive date or timeframe. I don’t want to mislead anyone so I will provide what I know and that is we will be continuing with remote instruction until further notice.

We are in difficult times but if we continue to support each other and make the best of each day, we will get through this. I cannot say enough about the way our staff, community, parents, Board of Education, and most importantly, our students, have responded under these circumstances. Again, I thank everyone for your support and continue to stress that we follow the CDC and Health Department recommendations to remain safe.

Thank you,

Peter L. Koza, Ed.D.
Dr. Peter L. Koza, Superintendent
